GR310F.4-R

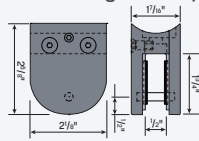

## Rounded Glass Clip - Round Surface Mount

Gaskets supplied to permit use with 1/2" to 5/8" glass or panels.

152813R-2

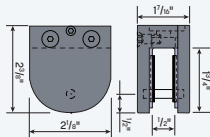

## Rounded Glass Clip - Flat Surface Mount

Gaskets supplied to permit use with 1/2" glass or panels.

152813R-F

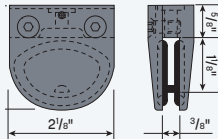

## Rounded GlassGrip™ - Flat Surface Mount

GlassGrip™ is perfect for all guardrail applications requiring a 1/4" or 3/8" infill panel. The GlassGrip tightening system utilizes solid rubber o-rings that hold the glass panels as they securely grip and prevent sliding. The optional support pin fits through a pre-drilled hole in the glass for added support. Stainless steel GlassGrips may be used with 1/4" or 3/8" glass using the provided screws.

152816-2

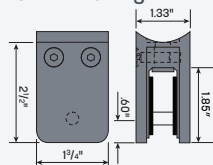

## Square Glass Clip - Round Surface Mount

Gaskets supplied to permit use with 1/2" to 5/8" glass or panels.

GR305R.4

| Use With       | Panel Thick. | 316 Satin Stainless | 316 Polished Stainless |
|----------------|--------------|---------------------|------------------------|
| 1.5" - 1.7" OD | 1/2" - 5/8"  | GR305R.4-R          | GR305R.7-R             |
| 1.9" or 2" OD  | 1/2" - 5/8"  | GR310R.4-R          | GR310R.7-R             |

Use a M8 or 3/8-24 screw, no shorter than 1".
